How do I add a video to a Storyboard and read the file path of the video resource? I have a a video from the resources folder in my project. I would like to use that video in my storyboard, and once the video starts I want to get it's file path so I can use that file path in my code. A: Assuming you have a string like "file://path/to/file.mp4" // your path variable may be an NSString* or NSURL* NSURL* videoURL = [NSURL fileURLWithPath:[path stringByReplacingPercentEscapesUsingEncoding:NSUTF8StringEncoding]]; You can then play it with something like this: AVPlayerItem* playerItem = [AVPlayerItem playerItemWithURL:videoURL]; AVPlayer* player = [AVPlayer playerWithPlayerItem:playerItem]; AVPlayerLayer* playerLayer = [AVPlayerLayer playerLayerWithPlayer:player]; [self view] layer] addSublayer:playerLayer]; In your viewDidLoad: player = [AVPlayer playerWithURL:videoURL]; [player prepareToPlay]; [[NSNotificationCenter defaultCenter] addObserver:self selector:@selector(pauseVideo:) name:AVPlayerItemDidPlayToEndTimeNotification object:playerItem]; [[NSNotificationCenter defaultCenter] addObserver:self selector:@selector(playVideo:) name:AVPlayerItemDidPlayToEndTimeNotification object:playerItem]; And of course (in the pauseVideo: and playVideo: method) remove the observer so that it stops playing. You could do all this using Key-Value Observing to control the state of the player, but I'm trying to avoid it in this case. package com.recycler.core.internal.react.use; import android.support.v7.widget.RecyclerView;

Some even go as far as committing suicide. Over time, I have come to the conclusion that people normally only complain when they are unhappy with themselves. If something bigger and more important than them is bothering them, then most likely they are happy with themselves. The time I make this most obvious, I find myself asking myself what I am doing here on this earth, given my present situation. What do I have to look forward to? What would make me happy?How to buy Male enhancement pills Male enhancement pills are one of the most frequent topics of discussion on the internet. Download pdf I know that question: Is there a reason why this man has to decide to buy the book of the series? «In the world that is in the process of destruction, the world of the book draws the author, the main characters and readers to a safe place, the place where is written only that which we want to read, only what we want to read and how to read in a novel that offers us the very feeling of being in the book world: to live in the house, the house that every day writes in the stories written by his protagonists, the book of the reader within the pages that are in the book world». At some point we went to the house of Mr. Imaústica from the city, to celebrate Christmas in a more precise way. Mr. Imaústica was small in size. His house was quite narrow and did not have a good presence in his house. But his house was full of light and his garden had only the innocence in its name, it was very beautiful and full of natural beauty that I only saw in Roraima and the coast of Brazil. He was young and had great tranquility, as well as that of the author of the book he had written, it was already more than fifteen years since his second book had been published. Mr. Imaústica called me «Cheri» because I always carried with me that nickname that was given me in my childhood and they spoke to us without titles. He invited me to have tea with them with my friends. He told me: «I introduce you to the daughter of the Flamingo, and yes he is still one of the most beautiful birds that I have seen, you will like it.» And when the Flamingo (we called him Andy) arrived, he said, and the woman, «You had tea with the author of the book that you bought, so you do not need to teach the daughter of this house to know you». When I met with him, the Flamingo called me «my precious little girl» and my name was: «Cheri». Imaústica was so happy when he saw Andy and he said to my friend: «Your bird has grown and you come from far away, I thought that it did not like». «The bird has grown with all the cities that we have passed, Mr. Imaústica, I have been in the city and
